

# Intermediate Paper 1 Exam Coaching

**UMOYA**  
VOHE SOLUTIONS

Ventilation & Occupational  
Hygiene Engineering

## Course Outcomes

Final coaching on aspects prescribed by the Intermediate Paper 1 Syllabus to prepare the participant for the Chamber of Mines examination

## Course Contents

- Exam Techniques
- Identity and address problem areas experienced by participants
- Class exercises
- Working through previous papers

The ideal is for the attendee to be prepared on arrival as emphasis will be on problem solving and final rounding off before the exam

## Target Participants

- Ventilation Engineering / Occupational Hygiene Trainees
- Mining, Process and SHEQ candidates who would like to pursue a career in Ventilation Engineering / Occupational Hygiene

## Prerequisites

- Confirmation of pass - Practical-Mine Environmental Control
- Six months relevant experience (3 months for graduates) in Environmental Control / Occupational Hygiene Department
